GBGB Rule Amendments - 05 June 2026

(All changes to take immediate effect)

Rule 47 – Trials

Reason for amendment

To align Rule 47 with Rule 48 by providing that any subsequent trials after the initial qualifying trials may be recognised as qualifying events for this rule.

Amendments

Sub-section iii) After: " A Greyhound shall have two Trials which shall be with at least two other Greyhounds which are registered."

Add a new sentence:

Any subsequent Trials may be recognised as qualifying events, provided the requirement for two satisfactory Trials with at least two other greyhounds has been met.

Current Rule

i) Excluding any Open Race in which it is to run, or has run, as an International Entry, a Greyhound to run in its first Race at a GBGB Licensed Racecourse shall have run at least two satisfactory Trials on separate Days, save that any Open Race in which it has run as an International Entry within a period of 8 weeks before the Race in question may count in place of one of the Trials required.

ii) The Trainer having charge of a Greyhound for its first Race as above shall have had continuous charge of it for at least 7 Days prior to its final Trial, which shall have been run within 22 Days prior to the Race.

iii) A Greyhound shall have two Trials which shall be with at least two other Greyhounds which are registered.

iv) A greyhound registered after 1st January 2017 must have a negative result for their Point of Registration sample or a waiver form signed by the trainer before its first Race as above.

Amended Rule

i) Excluding any Open Race in which it is to run, or has run, as an International Entry, a Greyhound to run in its first Race at a GBGB

Licensed Racecourse shall have run at least two satisfactory Trials on separate Days, save that any Open Race in which it has run as an International Entry within a period of 8 weeks before the Race in question may count in place of one of the Trials required.

ii) The Trainer having charge of a Greyhound for its first Race as above shall have had continuous charge of it for at least 7 Days prior to its final Trial, which shall have been run within 22 Days prior to the Race.

iii) A Greyhound shall have two Trials which shall be with at least two other Greyhounds which are registered. Any subsequent Trials may be recognised as qualifying events, provided the requirement of two satisfactory Trials with at least two other greyhounds has been met.

iv) A greyhound registered after 1st January 2017 must have a negative result for their Point of Registration sample or a waiver form signed by the trainer before its first Race as above.

Rule 61 – Report of sickness, injury, etc.

Reason for amendment

To remove the requirement for the attending Veterinary Surgeon to record the required data from a sales trial meeting on the GBGB Track Injury Database.

Amendments

Sub-section iii) Remove: "trial or sales trial"

Add: after a scheduled race "or trial meeting"

Current Rule

i) Any case of sickness, lameness or other indisposition of a Greyhound discovered after Kennelling for, or immediately after, a Race or Trial, shall be reported to the Local Stewards without delay. Any other case of indisposition of a Greyhound due to or likely to be due to run shall be reported by the Trainer to the Racing Manager(s) concerned without delay.

ii) When a greyhound is injured when participating in a race, trial or sales trial the attending Veterinary Surgeon must make a record which the Racecourse Executive must keep at the racecourse, setting out;

a) the nature of the injury sustained;

b) either the microchip number or earmark of the Greyhound;

c) details of any treatment administered to the Greyhound;

d) the distance of the race, trial or sales trial in which the injury occurred; and

e) the date of the injury.

iii) No later than 48 hours after a scheduled race, trial or sales trial meeting the attending Veterinary Surgeon must record the required data on the GBGB Track Injury Database.

iv) Where a 'First Aid Treatment, Written Direction & Transport Certificate' (the 'Certificate', also known as Transport of Injured Greyhound or 'TIGH' certificate) is issued by a veterinary surgeon regarding a greyhound, a copy must be sent to the relevant Racing Office promptly and no later than 24 hours after issue. The Racing Office must promptly, and no later than 48 hours after the issue of the Certificate, provide a copy of the Certificate to the stadium's Stipendiary Steward, the Regional Regulatory Veterinarian and the GBGB Veterinary Executive.

The information referred to in sub-paragraph (ii) must be kept for at least 10 years from the date of the injury.

Amended Rule

i) Any case of sickness, lameness or other indisposition of a Greyhound discovered after Kennelling for, or immediately after, a Race or Trial, shall be reported to the Local Stewards without delay. Any other case of indisposition of a Greyhound due to or likely to be due to run shall be reported by the Trainer to the Racing Manager(s) concerned without delay.

ii) When a greyhound is injured when participating in a race, trial or sales trial the attending Veterinary Surgeon must make a record which

the Racecourse Executive must keep at the racecourse, setting out;

- a) the nature of the injury sustained;
- b) either the microchip number or earmark of the Greyhound;
- c) details of any treatment administered to the Greyhound;
- d) the distance of the race, trial or sales trial in which the injury occurred; and
- e) the date of the injury.

iii) No later than 48 hours after a scheduled race or trial meeting, the attending Veterinary Surgeon must record the required data on the GBGB Track Injury Database.

iv) Where a 'First Aid Treatment, Written Direction & Transport Certificate' (the 'Certificate', also known as Transport of Injured Greyhound or 'TIGH' certificate) is issued by a veterinary surgeon regarding a greyhound, a copy must be sent to the relevant Racing Office promptly and no later than 24 hours after issue. The Racing Office must promptly, and no later than 48 hours after the issue of the Certificate, provide a copy of the Certificate to the stadium's Stipendiary Steward, the Regional Regulatory Veterinarian and the GBGB Veterinary Executive.

The information referred to in sub-paragraph (ii) must be kept for at least 10 years from the date of the injury.

Rule 142 – Judge, post-Race procedure, No Race declaration

Reason for amendments

To add the option for the local stewards to disqualify a greyhound from taking any further part in a competition or from an elimination round of a competition if that greyhound was the cause of the no race.

Amendments

After: "If anything happens in a Race which causes the Local Stewards to give consideration to the declaration of 'No Race' they shall defer giving to the Judge their approval of any Order of Finish and shall cause an announcement to be made that a Local Inquiry is to be held."

Add a new paragraph:

The Local Stewards shall disqualify any greyhound or greyhounds

from further participation in a race, including any elimination round, if they determine that the greyhound(s) was responsible for causing the 'No Race'. Rule 91 shall apply.

Current Rule

The Judge shall occupy a suitable position in the Local Stewards' Box or Judge's Box throughout the Race. Unless the Local Stewards decide otherwise, the Judge shall indicate to them the Order of Finish and when this has been approved by them the Trap Numbers of the Greyhounds occupying the first three places shall be publicly announced and displayed. When Order of Finish has been confirmed the Local Stewards shall announce 'Order of Finish Official' (and where available, display a green light) and the Order of Finish shall then be final.

If the Local Stewards decide to declare 'No Race', an immediate announcement 'No Race' made (and where available, display a red light). If anything happens in a Race which causes the Local Stewards to give consideration to the declaration of 'No Race' they shall defer giving to the Judge their approval of any Order of Finish and shall cause an announcement to be made that a Local Inquiry is to be held.

Amended Rule

The Judge shall occupy a suitable position in the Local Stewards' Box or Judge's Box throughout the Race. Unless the Local Stewards decide otherwise, the Judge shall indicate to them the Order of Finish and when this has been approved by them the Trap Numbers of the Greyhounds occupying the first three places shall be publicly announced and displayed. When Order of Finish has been confirmed the Local Stewards shall announce 'Order of Finish Official' (and where available, display a green light) and the Order of Finish shall then be final.

If the Local Stewards decide to declare 'No Race', an immediate announcement 'No Race' made (and where available, display a red light).

If anything happens in a Race which causes the Local Stewards to give consideration to the declaration of 'No Race' they shall defer giving to the Judge their approval of any Order of Finish and shall cause an announcement to be made that a Local Inquiry is to be held.

The Local Stewards shall disqualify any greyhound or greyhounds

from further participation in a race, including any elimination round, if they determine that the greyhound(s) was responsible for causing the 'No Race'. Rule 91 shall apply.

Appendix VI – GRB GUIDELINES, PROCESS AND PENALTIES

Reason for amendment

- 1) To allow GRB to have the flexibility for a Stipendiary Steward to determine the outcome of a positive sample at a Local Inquiry.
- 2) To remove any reference to the GBGB veterinary director.

Amendments

Sub-section 8.5.6 After: "second Stipendiary Steward".

Add: Cases of positive samples, after review by the Director of Regulation and Senior Stipendiary Steward, will either be determined at a Local Inquiry by a Stipendiary Steward or be forwarded to the DoR for determination before the Disciplinary Committee.

Sub-section 8.6.3 Remove: "The GBGB veterinary director will oversee the process outlined at 8.6.2 above."

Sub-section 8.6.6 After: "Having held a local inquiry the Stipendiary Steward will"

Add: either forward the outcome of the decision to the DoR and SSS, or if the case is to be referred, will forward the case papers to the DoR.

Sub-section 8.6.7 – Flowchart To be amended to reflect changes to 8.6.6

Current Rule

Cases to be determined by the Stipendiary Steward

8.5.6 The expectation is that the outcome of the majority of all cases will be determined by a named Stipendiary Steward who may be accompanied by a second Stipendiary Steward, however all cases of positive samples will be forwarded to the DoR for determination before the Disciplinary Committee.

8.5.7 Stipendiary Stewards will also hear, where appropriate, those cases investigated by one of the GBGB Investigators where after review by a combination of the DoR and the Senior Stipendiary Steward it is considered proportionate for the case papers to be forwarded to the Area Stipendiary Steward to be heard.

8.5.8 In all cases the Stipendiary Steward will be responsible for informing the Authorised

Representative and the Racing Manager in writing that they will be conducting a Local Inquiry. The written communication will detail those considered as the affected person(s) and state the possible breach of the Rules.

8.5.9 The Stipendiary Steward will also write to the affected person setting out the possible breach of Rules. That written communication will also contain a reference to the process by which an affected person can, if they wish, accept the breach and the consequences of so doing.

8.5.10 The Racing Manager will arrange the Local Inquiry and inform all parties of the date, time and place. It is the responsibility of the Racing Manager to ensure that the Local Inquiry takes place within 21 days of notification by the Stipendiary Steward, see paragraph 8.5.8.

8.5.11 Upon hearing the evidence at the Local Inquiry the Stipendiary Steward shall refer to Section 5 – Consistency and Proportionality of Penalty and consider the appropriate penalty as laid down in Section 6 – Description of the Penalty. Some examples of the types of breach and attendant sanctions are outlined in Section 7 – Penalty Guidelines.

8.5.12 If at the Local Inquiry an affected person chooses not to submit themselves to the jurisdiction of the Stipendiary Steward the case papers will be forwarded to the DoR and the case will proceed to a Disciplinary Hearing.

Stipendiary Steward having held a Local Inquiry refers case back to the DoR

8.5.13 Cases may arise where for whatever reason a Stipendiary Steward having heard a Local Inquiry forwards the case papers to the DoR to consider. These matters will be rare given the expectation that the Stipendiary Steward will deal with the majority of cases. If this does occur and the DoR having reviewed the case with the SSS consider that it should continue to be dealt with by the Stipendiary Steward, rather than the Disciplinary Committee, the case may be referred back to the Stipendiary Steward under Rule 159 (iv). Where the case is to be brought before the Disciplinary Committee it will normally be heard within 16 weeks of the complaint or allegation.

8.5.14 From any Local Inquiry the papers will be registered with the DoR and the results published.

Complaints Policy Flowchart

8.6 Positive Sample (See Process Map)

8.6.1 Samples will be taken from greyhounds in accordance with the procedures laid out at Appendix IV of the GBGB Rules of Racing.

8.6.2 Notification of a positive sample will be referred from the laboratory dealing to the Director of Regulation and any person designated by the DoR to receive, prepare reports or distribute such information on his behalf. They may also confidentially consult other authorities at their discretion.

8.6.3 Within 48 hours or as soon as reasonably practicable, person(s) designated by the Director of Regulation will provide the DoR or his nominee with a written confirmation that a case can proceed. The GBGB veterinary director will oversee the process outlined at 8.6.2 above.

8.6.4 The DoR or nominee will in accord with internal procedures ensure that the owner and trainer are informed of the positive sample before the details are sent to the Racing Manager of the Racecourse where the sample was taken or the media informed. This should be within four weeks of the race taking place.

8.6.5 The Stipendiary Steward will be instructed to hold a Local Inquiry and will notify the Authorised Representative by letter setting out the details, as referred to under the heading Cases to be heard by the Stipendiary Steward. The Racing Manager is responsible for informing all parties; including the Authorised Representative of the Racecourse concerned of the date and time a Local Inquiry is to be heard (see paragraph 8.5.10).

8.6.6 Having held a local inquiry the Stipendiary Steward will forward the case papers to the DoR. The DoR or his nominee will review the case papers. Having held the review if further evidence or clarification of matters is required before further action is taken, then the DoR or his nominee will request the appropriate person e.g. Independent Scientific Advisor or Investigator that further inquiries be undertaken or evidence obtained.

Amended Rule

Cases to be determined by the Stipendiary Steward

8.5.6 The expectation is that the outcome of the majority of all cases will be determined by a named Stipendiary Steward who may be accompanied by a second Stipendiary Steward. Cases of positive samples, after review by the Director of Regulation and Senior Stipendiary Steward, will either be determined

at a Local Inquiry by a Stipendiary Steward or be forwarded to the DoR for determination before the Disciplinary Committee.

8.5.7 Stipendiary Stewards will also hear, where appropriate, those cases investigated by one of the GBGB Investigators where after review by a combination of the DoR and the Senior Stipendiary Steward it is considered proportionate for the case papers to be forwarded to the Area Stipendiary Steward to be heard.

8.5.8 In all cases the Stipendiary Steward will be responsible for informing the Authorised Representative and the Racing Manager in writing that they will be conducting a Local Inquiry. The written communication will detail those considered as the affected person(s) and state the possible breach of the Rules.

8.5.9 The Stipendiary Steward will also write to the affected person setting out the possible breach of Rules. That written communication will also contain a reference to the process by which an affected person can, if they wish, accept the breach and the consequences of so doing.

8.5.10 The Racing Manager will arrange the Local Inquiry and inform all parties of the date, time and place. It is the responsibility of the Racing Manager to ensure that the Local Inquiry takes place within 21 days of notification by the Stipendiary Steward, see paragraph 8.5.8.

8.5.11 Upon hearing the evidence at the Local Inquiry the Stipendiary Steward shall refer to Section 5 – Consistency and Proportionality of Penalty and consider the appropriate penalty as laid down in Section 6 – Description of the Penalty. Some examples of the types of breach and attendant sanctions are outlined in Section 7 – Penalty Guidelines.

8.5.12 If at the Local Inquiry an affected person chooses not to submit themselves to the jurisdiction of the Stipendiary Steward the case papers will be forwarded to the DoR and the case will proceed to a Disciplinary Hearing.

Stipendiary Steward having held a Local Inquiry refers case back to the DoR

8.5.13 Cases may arise where for whatever reason a Stipendiary Steward having heard a Local Inquiry forwards the case papers to the DoR to consider. These matters will be rare given the expectation that the Stipendiary Steward will deal with the majority of cases. If this does occur and the DoR having reviewed the case with the SSS consider that

it should continue to be dealt with by the Stipendiary Steward, rather than the Disciplinary Committee, the case may be referred back to the Stipendiary Steward under [Rule 159 \(iv\)](#). Where the case is to be brought before the Disciplinary Committee it will normally be heard within 16 weeks of the complaint or allegation.

8.5.14 From any Local Inquiry the papers will be registered with the DoR and the results published.

[Complaints Policy Flowchart](#)

8.6 Positive Sample (See Process Map)

8.6.1 Samples will be taken from greyhounds in accordance with the procedures laid out at [Appendix IV](#) of the GBGB Rules of Racing.

8.6.2 Notification of a positive sample will be referred from the laboratory dealing to the Director of Regulation and any person designated by the DoR to receive, prepare reports or

distribute such information on his behalf. They may also confidentially consult other authorities at their discretion.

8.6.3 Within 48 hours or as soon as reasonably practicable, person(s) designated by the Director of Regulation will provide the DoR or his nominee with a written confirmation that a case can proceed.

8.6.4 The DoR or nominee will in accord with internal procedures ensure that the owner and trainer are informed of the positive sample before the details are sent to the Racing Manager of the Racecourse where the sample was taken or the media informed. This should be within four weeks of the race taking place.

8.6.5 The Stipendiary Steward will be instructed to hold a Local Inquiry and will notify the Authorised Representative by letter setting out the details, as referred to under the

heading Cases to be heard by the Stipendiary Steward. The Racing Manager is responsible for informing all parties; including the Authorised Representative of the Racecourse concerned of the date and time a Local Inquiry is to be heard (see [paragraph 8.5.10](#)).

8.6.6 Having held a local inquiry the Stipendiary Steward either forward the outcome of the decision to the DoR and SSS, or if the case is to be referred, will forward the case papers to the DoR. The DoR or his nominee will review the case papers. Having held the review if further evidence or clarification of matters is required before further action is taken, then the DoR or his nominee will request the appropriate person e.g. Independent Scientific Advisor or Investigator that further inquiries be undertaken or evidence obtained.
